## BASIC SKILLS

**10 SUBJECTS and 90 LESSONS**

**BASIC SKILLS** are those which may be applied across many life situations. They serve as a foundation for competitive employment, sheltered employment and independent living skills. These skills help students function with independence and enjoy a better quality of life.

Bathroom Care (8 Lessons)  
Concepts (10 Lessons)  
Floor Care (8 Lessons)  
Heavy Cleaning (7 Lessons)

Kitchen Care (13 Lessons)  
Laundry Skills (6 Lessons)  
Light Housework (11 Lessons)

Moving Objects (4 Lessons)  
Sorting (5 Lessons)  
Tool Use (18 Lessons)

## SHELTERED EMPLOYMENT

**14 SUBJECTS and 61 LESSONS**

**SHELTERED EMPLOYMENT** teaches job skills to the students in need of individual or group supervision. This will help the student become a more constructive participant in society. The student will become proficient in performing a variety of necessary jobs.

Assembly (3 Lessons)  
Bagging (4 Lessons)  
Building Maintenance (21 Lessons)
